Host Institution – Masaryk University

Masaryk University is the second-largest public university in the Czech Republic and the leading Higher Education Institution in Moravia. It is comprised of nine faculties with over 200 Departments, institutes and clinics. Recognized as one of the most important teaching and research institutions in the Czech Republic, Masaryk plays a major role in the social and cultural life of the South Moravian Region. Masaryk University offers degrees in a wide range of traditional as well as newly-emerging disciplines and is currently one of the fastest-growing higher education institutions in Europe.
