2016 Goals

- Working to insert EIM into the Bureau of Non-Communicable Diseases within the Ministry of Public Health
- Furthering work with the electronic medical system in the Golden Jubilee Medical Center

Past Accomplishments

- Conducted training workshops for healthcare providers
- Integrated physical activity training into the 2nd and 3rd year of medical school at Srinakarinwirot University
- Set up core group of medical and health care providers
- Working with the Golden Jubilee Medical Center to integrate the EIM Solution into the health system
- Created practical EIM guideline relating to how to prescribe exercise for specific groups/conditions
- Media marketing of EIM through our website, Facebook, Roll Up, Booklet, and mass communication (TV, newspaper, and magazines)
