

ON CAMPUS ADVISORY GROUP

Advisory Group Mission

Foster collaborative relationships and leadership between exercise, health and other disciplines on university and college campuses around the world

Advisory Group Vision

See all campus and community members across multiple disciplines discover, share and adopt the principles of EIM to change the culture of chronic disease prevention and management campus-wide

Advisory Group Guiding Principles

- Introduce EIM to universities/colleges and provide an opportunity to bring the program onto campuses and into local communities
- Provide universities/colleges with an opportunity to learn what other institutions have successfully implemented to promote physical activity and health benefits on campuses
- Recognize universities/colleges who are actively engaged in championing EIM on campus

Current Projects/Upcoming Projects

- Engage additional universities and colleges to participate in EIM-OC
- Launched the new EIM-OC Month Mascot Challenge to raise awareness about the initiative and promote physical activity
- Recognize universities/colleges engaging in EIM-OC at various levels:
 - Gold: implementing the EIM Solution
 - Silver: providing EIM-OC educational programming
 - Bronze: increasing opportunities for physical activity on campus and raising awareness
