Yes

No

10. What **bronze level** EIM-OC activities did your campus implement between February 15, 2018 and February 15, 2019? Check all that apply.

- We hosted at least one event or activity to promote physical activity (monthly EIM Days, dance marathon, walk/run, etc.)
- We secured an EIM-OC Month Proclamation from the governor, mayor and/or university/college official.
- We created/offered campus-wide options for exercise (i.e., campus bike share, walking group).
- Other (please specify)

11. What **silver level** EIM-OC activities did your campus implement between February 15, 2018 and February 15, 2019? Check all that apply.

- We conducted campus or community educational seminars on physical activity.
- Campus health educated patients on the importance of physical activity.
- We collaborated with campus rec to offer health and fitness counseling to students, faculty and staff.
- Other (please specify)

12. What **gold level** EIM-OC activities did your campus implement between February 15, 2018 and February 15, 2019? Check all that apply.

- Campus health (i.e., physicians, counseling center, school of pharmacy, etc.) worked with campus rec to provide physical activity prescriptions.
- Non-clinical professionals/departments directed students, faculty and/or staff to the rec center for health and fitness programming.
- We used a computer-based system to track patient participation and progress in physical activity interventions.
- Campus health (i.e., physicians, licensed mental health counselors) systematically assessed physical activity as a vital sign for patients.
- Other (please specify)

* 13. Please provide PDF documentation of bronze, silver and gold level activities checked above (i.e., photos, videos, promotional flyers, invitations, course syllabus, emails, etc).

14. Approximately how many students do you reach annually through your EIM-OC activities (e.g., campus population, number of attendees at activity fairs, workshops, etc.)?

15. In what ways did you enhance your EIM-OC program between February 15, 2018 and February 15, 2019 (e.g., new initiatives, more marketing, student recruitment, etc.)?

* 16. Explain your process for assessing physical activity as a vital sign.

* 17. Approximately how many students, faculty and/or staff are assessed annually?

* 18. What happens after the assessment (i.e., referred to program, campus rec, etc.)?

* 19. Attach a copy of the paper form or a screenshot of the electronic form used to assess physical activity as a vital sign on campus.
